Terms and Conditions

1. To qualify for the 2010 Chem-fallow and Post-harvest Program, growers must purchase a minimum of 320 acres of one or a combination of: DuPont™ Express® PRO, Express® SG or PrecisionPac™ Express® PRO, Express® SG or DB-858 herbicides.
2. All products must be purchased between June 1st, 2010 and October 31st, 2010.
3. Once qualified, growers are eligible to receive a 50 cent/acre rebate on DuPont™ Express® PRO, Express® SG or PrecisionPac™ Express® PRO, Express® SG or DB-858 herbicides.
4. Application rates for Express® SG and Express® PRO will be calculated at 80 acres/unit, PrecisionPac™ Express® SG at 6.1 g = 1 acre, PrecisionPac™ Express® PRO at 7.1 g = 1 acre, and PrecisionPac™ DB-858 at 36.83 g = 1 acre.
5. Rebates will be based on invoiced price up to a maximum of the published SRP for each product.
6. All rebates are in addition to other DuPont published programs.
7. Growers must submit purchase information and rebate requests to DuPont.
8. All rebate claims must be signed by the grower and received by DuPont no later than December 1st, 2010.
9. Rebates will be calculated on purchases net of any returned products.
10. DuPont reserves the right to verify net purchases.
11. In order to qualify for the rebates outlined above, products must be used by the same grower who purchased them, on a single farming operation.
12. All purchases must be made from an authorized crop protection retailer in Western Canada with CropLife Phase III facilities.
13. **Presumption of Consent:** I understand that by accepting a rebate, I authorize my retailer to send to DuPont the related proof of products purchased and any related documentation. I further authorize E. I. du Pont Canada Company to use my information provided as a basis to send me information that is relevant and useful to my farm. I understand that if I do not want to receive product or program information from DuPont, I will contact them at 1-800-667-3925.

As with all crop protection products, read and follow label instructions carefully.
